Acting CEO Appointed

Sacramento, CA – After carefully considering all its options, the SELF Executive Committee appointed Chief Fiscal Officer (CFO) Pat Moody as acting chief executive officer while the search for a permanent CEO is underway.

Moody has been SELF's CFO since December 2005 and has more than 25 years of finance and accounting experience. She earned her bachelor's degree from California State University, Sacramento in 1985 and received her CPA in 1987.

At its May 2 meeting, the committee considered several alternative options for interim leadership and ultimately decided that appointing Moody would be the best choice to keep the JPA on its current path until a new chief officer is hired. She will not apply for the position on a permanent basis.

The SELF team, led by Moody, will also have the assistance and expertise of the Board and committee members at their disposal throughout the interim period.

SELF's CEO Nat Lord passed away unexpectedly April 6. The same firm that handled his recruitment, Ralph Andersen & Associates, is conducting a new nationwide CEO search that was launched April 30.
