## Ongoing Lawsuit Equitably Settled

Sacramento, CA - Contra Costa County Schools Insurance Group (CCCSIG) and Schools Excess Liability Fund (SELF) have approved a Mutual Release and Settlement Agreement ending all pending action in the matter CCCSIG v. SELF.

The agreement provides a clarification of the elements to be included in future assessments for SELF's Excess Workers' Compensation Program; payment, in the form of a credit to CCSIG against assessment obligations owed to SELF, in exchange for electronically stored data that will be turned over to SELF, and agreement by the parties that SELF, through its Board, committees and staff will continue to exercise its discretion in claims matters, based upon established protocol.

The parties have mutually agreed to be responsible for their own attorney fees and costs, and have further agreed that by settling the case, neither is admitting any fault or legal liability.

Both sides agree that resolving this matter is in the best interests of all the parties and the resolution of the case reflects how SELF's Excess Workers' Compensation Program has evolved over the past few years.
